TO : OFFICERS & SPONSORS, SCHOLARSHIP PROGRAM

FROM: DAC

We are glad to report that one of our scholars has finished and completed his 4-year course, Bachelor Degree in Physical Education (BSPE) Cesario Perez, 22 has received his Diploma during the graduation rites on October 19th. Being a teaching course, he will have to take the Teacher's Board Examinations next year. Meanwhile, we hired him to work with the Academy of Eskrima and as a regular instructor in our gym.

Belonging to a very poor family, Perez had been our scholar for 8 years, since he entered High School in 2002.

Due to the increased in tuition fee and with limited resources, we maintain only 4 Scholars for the 2nd Semester, (November, 2010 to March 2011). They are;

1. Jenny Rusiana, 21 years old, 3rd year (IT)
2. Ailyn Navarro, 21 years old, 3rd year (IT)
3. Petrona Lawas, 21 years old, 2nd year (Biology)
4. Florito Fernandez, 18 years old, 1st year (IT)

Some of our qualified applicants for Scholarship in the meantime, are employed in our Zipline and Adventure Park. They also help in the preparation and cleaning of the area where we plan to construct the Eskrima Temple.

For the first Semester, we have received contributions from the following sponsors

1. Gregory Booth
2. GM Arnulfo "Dong" Cuesta
3. Jason Silverman
4. GM Fred Bandalan

Gregory Booth has already paid his pledged contribution for the 2nd Semester in the amount of: \$400. We expect the other sponsors to send in their contributions during the 2nd Semester.

Once again we want all sponsors to know how grateful we are for their generosity that it is beyond just to say "thanks" to express our heartfelt gratitude.
